This could be a good time for a debrief. I could attend a 3:00 PM on Friday.

That said, we have more to go, right? The City Clerk will process our successful Petition Drive forward to City Council Committee and then City Council. The City Council will then call for a mail Ballot conducted by the City Clerk's Office on the question of whether or not the BLQ-Pico BID should be renewed. That Ballot will probably occur 60 days or so from now. We need our supportive property owners to vote! Particularly Loyola and the Catholic Church (a Don Swartz assignment) and the other "yes" votes. Until we win the Ballot, we should not exhale or do too much basking. The big Petitions we did not get and some of those that we did get, will vote "NO." We still have votes to secure. (Let's do a email newsletter.) Hopefully we can celebrate success in August.

Make sense? Let me know of any questions or as I may assist further.

Thanks Mo.

Hello everybody,

I know we are still basking in the afterglow of having the BID successfully recertified but I wanted to check on your availability on this upcoming Friday afternoon so that we can have a short debrief of the renewal process experience at the LANI offices?

I would like to discuss your findings as well as potential opportunities and areas of improvement that we can document. In addition, I want to get access to all that data we were able to accumulate on the property owners and business owners that we had the opportunity to interact with.

I can schedule the conference room at 3:00 pm.

Let me know if this works for you.

Sincerely,

Moises Gomez
